Chandanagar Admin

I thank all the Teachers, parents, students and all the disciplinary committee members for their endless effort in shaping the learners discipline.

Educational discipline has provided directions, impressions, motivations, opportunities and alternatives which has led to academic excellence over the years.

The value based quality education that you will get here will stay with you as an asset that would guard your education and character.

BATHUKAMMA

Let the light of Dussehra remove the darkness from your life and fill it with happiness and prosperity. Happy Battukamma to you and your family!

HAPPY Diwali

Let's Celebrate the festival of lights by spreading joy, love, and happiness everywhere.

Green Colour Day

FIELD TRIP

Field trips provide authentic hands on experiential learning opportunities where students can connect what they are learning in classroom, in a real world context.

Botanical Garden & Gulmohar Park

Medley Of Activities

Activity-based learning help children develop a positive attitude towards education. Setting them up for a successful academic future. Thinking critically, being independently inquisitive and learning through experience has been accentuated. Learning help students to express and explore their Curiosity.
