Message from Vice Principal

We stand poised on the threshold of a new era, an era of renaissance, an era of change in the dynamics of education. In the light of the same, **OAKTREE KIDZ INTERNATIONAL SCHOOL** has adjusted the sails to face the

sweeping winds of change. The task of building a new child must find support in our school, where our young students must be educated in a new perspective. so that they can bring about a change in the dynamics of human relation in the world outside. It is the prime duty of educational institution to promote strong positive character traits and foster creativity and innovative thinking among students to teach not to be afraid of failure but strive to achieve success for excellence, make them learn to see things in proper perspective and above all to be disciplined. In all perspective my students are beyond my expectations. I hope and pray that the students of our school will scale great height and keep the OAKTREE KIDZ flag high. May God intercede for all who enter the school company.

Quick Review of the Activities

August had come an end crowned as the most awaited month of the year, August takes down a memory lane. A month that spreads smiles with celebrations of Rakshbandhan, Janmastami and Independence day.

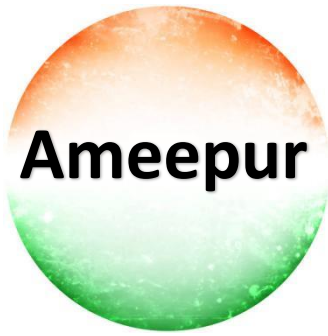

All these moments with the students is what coloured the halls of Oaktree kidz and we hope to see them again soon. Few memories shall keep us bright. Here is a little recap to what August has been.

Independence Day

Tricoloured flag hoisted with pride, kites in the air and a spirit of patriotism and gratitude for the nation, Independence Day celebrations are a cherished moment for all of us. The date, August 15th holds special significance in the heart of every Indian as we commemorate the day to value and cherish the great courage and valour our leaders, freedom leaders showcased to build our mighty nation and free our country from British colonial rule.

Krishna Janmashtami was celebrated with full fervor and kids came dressed as Lord Krishna and Radha. Students of little kingdom celebrated Krishna Janmashtami, an annual commemoration of birth of the Hindu diety Krishna, the eighth avatar of Vishnu, on the school campus. The sole objective of Sri Krishna's birth and to celebrate Janmashtami is to free the Earth from the evilness of demons.

'Raksha Bandhan ' or Rakhi is a special occasion to celebrate the virtuous bond of love between a brother and a sister which is one of the deepest and noblest of all human emotions.

To commemorate this festival, Oaktreek Kidz little tots tied Rakhi to the boys.

Field trip

Field Trips are exciting educational opportunities for teachers and students alike. They are designed to enhance the educational experience for all the students and provide the students with an opportunity to learn outside the classroom. In this regard we planned the kids to the park, road transport and Shilparamam.
