## MIYAPUR ADMIN MESSAGE

“Education is one thing no one can take away from you.”

We at Oaktree Kidz International School, strives hard to make sure that the children’s learn a new thing on every day.

Our aim is to make the child independent and self-developed.

Oaktree kidz school characterised by a supportive community,consistent and proposeful feedback, a safe learning environment, excellent resources, facilities and a commitment to extra-curricular activities

School values can include resilience, aspirations, determination,tolerance,respect and team spirit

Mrs. Kalpana

# MATHS HOD MESSAGE

As the famous mathematician Carl Friedrich Gauss said, "Mathematics is the queen of the sciences and number theory is the queen of mathematics." Mathematics is not only a subject, but also a language, a logic, and a beauty. It helps us understand the patterns and structures of nature, the laws of physics, and the secrets of the universe. It also develops our skills in reasoning, problem-solving, and creativity.

At Oaktree Kidz, we have been nurturing our students to become confident and curious learners of mathematics. We use a variety of methods and resources to make mathematics fun and engaging. We also encourage our students to apply their mathematical knowledge to real-life situations and challenges. We believe that every student can excel in mathematics with the right guidance and support.

I look forward to working with you all and sharing my passion for mathematics. Together, we can make this a memorable and rewarding one. Thank you.

Mrs.Sudha Laxmi

**TESTIMONIALS**

Sai Kiran

Teachers at school are very professional. Kids enjoy the games/toys at school. Staff at school take care of kids personally, very much recommend this school for residents around Ameenpur area.

# THEME ASSEMBLY

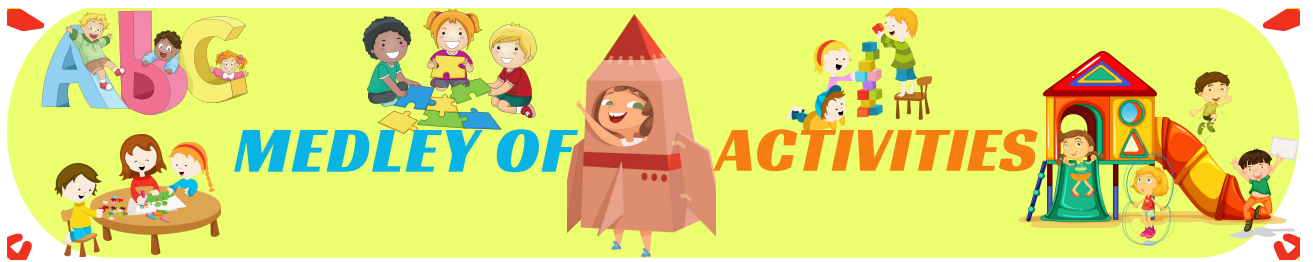

Assemblies may help students hone her public speaking skills and eliminate their stage fright. A morning assembly is one of the easiest ways to achieve compete and active participation from students. Usually, students refrain from voluntarily participating in class activities, but an all-school assembly is where they can not run away from participation. Oaktree Kidz is giving them time to experience the fun of participation, here are our special assemblies which we conducted in this month.

## National Energy Conservation Day

## Farmers Day

**Activity-based learning help children develop a positive attitude towards education setting them up for a successful academic future .Thinking critically ,being independently inquisitive and learning through experience has been accentuated. Learning help student express and explore their Curiosity.**
