# Admin Message

I am excited to be a part of the institute. To develop kids by nurturing their character to be able to accomplish their future. The school employs a team of exceptionally qualified and experienced staff. and dedicated faculty members who inspire and prepare the young minds of our students.

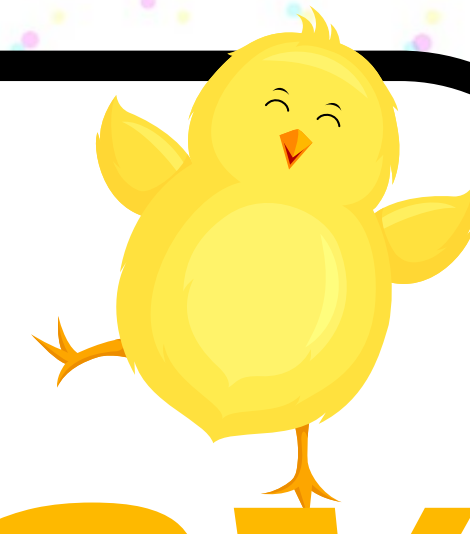

I wish you all a fantastic year filled with learning, growth, and success. Let's collaborate to make this year outstanding.

# Yellow Colour Day

**Yellow** is not an in-between color, you're either all in or you're not. Psychologically **yellow** color has traditionally been a symbol of joyfulness, happiness, and energy. The color **yellow** also came to mean envy, cowardice, and deceit.

Our Oaktree kidz tiny tots dressed in different hues and tints of **yellow**. The Colour of wisdom and intellectual energy had positive vibes in our tender tots.

# HAPPY BONALU

Bonalu festival is also considered a thanks giving to the Goddess for fulfillment of vows. The word Bonam is contraction of the word Bhojanam, a Sanskrit loanword which means a meal or a feast in Telugu. It is an offering to the Mother Goddess.

# Medley Of Activities

Activity-based learning help children develop a positive attitude towards education. Setting them up for a successful academic future. Thinking critically ,being independently inquisitive and learning through experience has been accentuated. Learning help students to express and explore their Curiosity.
