August

August has come an end Crowned as the most awaited month of the year, August takes down a memory lane. A month that spreads smiles with budding friendships with celebrations and enthusiasm of Independence day. Janmastami, Rakshabandhan.

All these moments with the students is what coloured the halls of OakTree kidz and we hope to see them again soon. But for now memories shall keep us bright. Here is a little recap to what August has been.

Coding Class

We proudly say that India's leading coding & Robotics Education Company has started Online coding classes for our students of class 3.

Friendship

Most of all ,like any relationship, they also require love,nurturing and care and that's why, to honour this special bond, we have a very special day every year, Friendship Day. Celebrated every first Sunday in the month of August, Friendship day is celebrated with a lot of joy. This year, it shall be celebrated on August 1st .

Enjoy every moment with friends. Today's beautiful moments are tomorrow's beautiful memories.

Happy Friendship day

Independence day

Tricoloured flag hoisted with pride, kites in the air and a spirit of patriotism and gratitude for the nation , Independence Day celebrations are a cherished moment for all of us. The date, August 15 holds special significance in the heart of every Indian as we commemorate the day to value and cherish the great courage and valour our leaders, freedom fighters showcased to build our mighty nation and free our country from 200 -year- long British colonial rule.

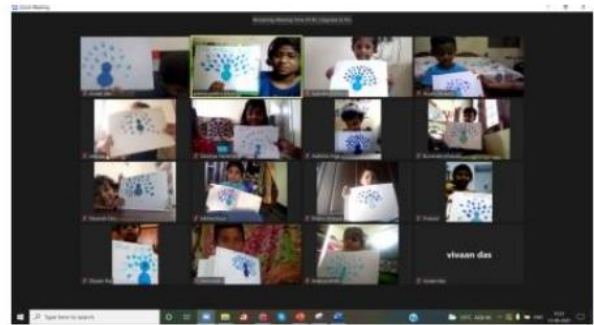

Raksha Bandhan

Rakshabandhan is celebrated to mark the special bond between siblings.

Blue is the colour of sky and sea. It is often associated with depth and stability . Blue symbolizes trust, loyalty, wisdom, confidence, intelligence and truth.

Janmashtami

Janmashtami is celebrated as the birthday of Lord Krishna, one of the most powerful and famous reincarnations of Lord Vishnu. In this regard our Oaktree kidz little buds dressed up like Radha and Krishna.

Making of LED light for remote places

Aim : making of LED light for poor people.

Components Required :

battery, switch, thumps up bottle, connecting wires, LED strip

Description:

Connections are made as per the figure shown. Positive and negative polarities of battery connected through switch. Fix the LED strip inside the bottle Once you switch on, the Led light will give bright light.

Gowtham Sai
Grade 2

Activities in Virtual Classes

I really appreciate your efforts to make our ward (Goutham Sai) study even in this pandemic situation. We are happy that children are taking this class serious. I hope these classes will help students to get better results .
