

**OAKTREE KIDZ**

International School

*Such a unique and caring School*

**Make parent  
communication  
quick and easy!!**

## Message from Admin

---

**"Always aim at complete harmony of thought and word and deed. Always aim at purifying your thoughts and everything will be well."**

**— Mahatma Gandhi**

**To my dear students with love,  
Construct plans with no exceptions, but by being a learner, not by being a perfectionist. You are likely to walk for long when you have a companion rather than walking alone. So, why not have one. Indeed, 'Harmony enhances life.' Perhaps, you won't do well unless you experience it. And, never refrain from embracing failure. Remember, every single step in life teaches you a big lesson.**

### A Great Start!

**For the month of November we have a lot of things happening. Few memories shall keep us bright. Here is a little recap to what November has been.**

**"Every child is a different kind of flower that altogether make this world a beautiful garden."**

**Children's Day was celebrated with vigour and enthusiasm by the children and teachers of Oaktree Kidz on 14<sup>th</sup> November. The teachers made the occasion memorable for the children with their special performances. The children were treated to a melodious medley of songs followed by a colourful dance performance by their teachers.**

# Chandanagar

# Ameenpur

The program started off with lighting of ceremonial lamp by Principal and paying floral tribute to Pt Jawaharlal Nehru.No program gets started off without invoking the divine blessing, to seek the blessing of almighty, prayersong was sung by our teacher. Later children performed their dance performance.

## Orange Colour day

Tiny tots in orange radiated warmth and happiness, combining the physical energy and stimulation of red with the cheerfulness of yellow. The children of Pre-Primary Section celebrated Orange Day with a sole objective to acquaint the little ones with the concept of this secondary colour and objects related to it. The children were exposed to a series of creative activities to help them understand the positive impact of orange.
