From the Vice Principal Desk

“Education is not about learning of facts but training young minds to think.” Albert Einstein

We at OAKTREE KIDZ try to work towards holistic development of our students by providing them the tools and experiences that encourage our students to think.

The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

IT IS RIGHTLY SAID,"THE END OF THE EDUCATION IS CHARACTER"
Ideal education brings the human values integral to one's humanity, truth, right conduct, peace, love and non -violence into action in one's life.

Being a part of this esteem institution 'Oaktree Kidz international school ', I am very proud to mention that the above mentioned criteria's are well blended in our school's education system and we target at the integrated development of the personalities of our children.

Mrs.Kiranmai

BLUE is a cool and calming color that shows creativity and intelligence. The dress code of the day was blue. All the children dressed up in different shades and hues of blue. To make the activity more inclusive, children brought different objects like toys, decorative items, and drawings based on the theme Blue Day was an amazing learning experience which had a long-lasting effect on every student. Children enjoyed the activities with immense enthusiasm and zeal

Bonalu is celebrated usually during Ashadamasam. Special puja's were performed for Goddess Yellamma during the first and last day of the festival. The festival is considered as a form of thanksgiving to the Goddess after the fulfillment of vows.

kargil vijay diwas

Kargil Vijay Diwas is celebrated on July 26th every year in India to commemorate the victory of the Indian Armed Forces over Pakistani infiltrators in the Kargil War in 1999. The conflict lasted for over two months and resulted in the loss of many lives on both sides. "Our flag does not fly because the wind moves it, it flies with the last breath of each soldier who died protecting it." On this Kargil Vijay Diwas, we honor and remember the brave soldiers who made the ultimate sacrifice for our nation. Their courage and dedication will always be an inspiration to us all. Let us express our gratitude towards these heroes and their families who have made immense sacrifices for our country.

Jai Hind!

Art has the role in education of helping children become like themselves instead of more like everyone else.
