- ◆ Parent Testimonial

## From the Directors Desk

**Knowing yourself is the begining of all wisdom - Aristotle**

Dear Parents and Guardians,

OAKTREE KIDZ is an incredible place for students from diverse backgrounds to grow educationally, get involved and have a meaningful school experience. Life is not a set of instructions but is a series of experience and learning processes. We believe in motivating and getting the best out of the children paired with positive reinforcement of good work and good behavior.

Mr. Babu & Mrs. Pooja

## HOD Message

Our dedicated teachers have been working hard to create a nurturing and stimulating environment or our young learners. As we move forward we will continue to focus on providing a high quality education that meets the needs of each child. I encourage you to stay involved in your children learning journey.

Mrs. Kavya

# RC Puram Incharge Message

Dear Students,

Schooling is our first contact with the world, a period of joy, healthy competition, fearing, adjustment, sharing and love. It is not the wide open space, classrooms, the library or the large fields that make the school. It is in the heart of the student and staff that the true institute exists.

**Mrs.Madhavi**

Oaktree Kidz is thrilled to announce the opening of its new school in RC Puram. We look forward to welcoming students to our new school and providing them with an exceptional education that will prepare them for success in the future.

Our beloved  Mrs. Madhavi Pooja inaugurated our new branch and had a devotional puja.

# AMEENPUR INAUGURATION

Oaktree Kidz is pleased to announce the opening of new campus at ameenpur. We are committed to providing a sound foundation to young children embarking on the journey of creative learning.

The Oaktree group of education believes in being exclusive in thought and action. Thus it comes as no surprise that it being the best and fastest growing chain of schools in Hyderabad, is also the only self-owned and self managed chain. This is how we maintain the quality and standard of education in all our branches. We gift your child a life of ambition, aspiration and achievement.

Our Chief Guest Mr.Panduranga Reddy garu inaugurated our new branch followed by devotional puja by our directors Mr.Babu & Mrs.Pooja.

## Red Colour daycelebration

Red is the colour of heart and blood, so it is associated with energy, war, danger, strength and power, as well as passion, desire and love. Red is an emotionally intense colour. In order to emphasize the importance of red colour different activities were taken up and children dressed up with different shades of red colour. Excitement and enthusiasm was visible everywhere.

## INTERNATIONAL YOGA DAY

Yoga is a powerful natural state that can inspire us in many ways. Our little tiny tots and growing seeds did few Asanas. Have a Look!!!

# MEDLEY OF ACTIVITIES

Art has the role in education of helping children become like themselves instead of more like everyone else.

# PARENT TESTIMONIAL

Great place to leave your kid for learning in the locality. I have my kid studying since an year and experience is amazing.

## Strengths

1. Personalized attention for kids
2. Strong Academic Curriculum
3. Attention to Extra-Curriculum
4. Teachers are top notch in conveying stuff to kids.

There are areas for improvement but I feel their strength lies in taking feedback seriously and try working towards a solution. They are usually ready to walk an extra mile to get things done.
